Be Careful

Don't tinker with your electric starting and lighting system. Storage batteries and such things are our specialty. We banish battery ills.

The electric system is not only one of the most important parts of your motor car, but it is the most complicated and delicate, and fewer mechanics are able to repair it correctly. STORAGE BATTERIES, STARTING, LIGHTING, IGNITION, WIRING.

This is the part of your car we look after—and we guarantee all our work to be done right. Free inspection of any battery at any time.
